

The McLemans' Photo Circular - Christmas 2012

Annie & Andrew up top Table Mountain in Cape Town in September

Welcome to our photo update for 2012. **Neill and Alison** got married in May with **Murray** now aged 2 a charming pageboy in his kilt. The news of **Ewan and Mhari** is that they are going to provide us another grandchild next May and have just bought a new house together in Lerwick. Congratulations to **Neill** who won the Rose Bowl as top student in Scotland with his latest round of Police exams. We spent a great two weeks in South Africa in September and after a few days on our own in Cape Town we spent the rest of our time in Durban with friends and family. More details below.
